Greenville, SC 29615

Dear Mr. McCutchen:

**Subject: New Products Evaluation Committee Action on SW FeeSaver dba SW Products'
"The Marlee Float™ Skimmer" NPE # 1407-1**

The New Products Evaluation Committee considered this product. The Committee recommended that the Department classify this product as "Accepted" for use on Georgia Department of Transportation projects. This product does meet the requirements of the Georgia Soil and Water Conservation Commission Manual for Erosion and Sediment Control in Georgia requirements. Classifying a product as "Accepted" does not obligate the Department in any way to use or specify the product. Use of the product is limited to the application for which it is intended.

If you have any questions concerning this matter, please contact the Georgia Soil and Water Conservation Commission at 706-552-4475 or any correspondence can be sent to the attention of:
